

Sadie's Angels

Meaningful prayers while Knitting

This is an example of a prayer you can say while making the baby blankets.
We encourage you to use this prayer or say your own for the health of the recipient.

Dear God,

Please hear my prayers for one of your sweet angels needs strength and comforting.

As I knit this blanket please fill every fiber of it with faith, hope and love.

May this blanket be a gentle reminder of your compassion, mercy and grace.

Amen
